2. TYPE DESIGNATION: LS304-3IN
3. ELECTRICAL RATING: 110-240V~, 50/60Hz, 65W

# IMPORTANT SAFETY INSTRUCTIONS

When using electric appliance, especially when children are present, basic safety precautions should always be followed, including the following.

## READ ALL INSTRUCTIONS BEFORE USING

To reduce the risk of injury or death by electric shock:

1. Always unplug the tool immediately after using as the unit is still electrically charged.
2. **WARNING:** Do not use appliance near bathtub, sink, or other containers or basins filled with water. Do not use appliance while bathing.

3. Do not place in or drop into the water or other liquids.
4. If an appliance falls into the water, unplug it immediately.  
Do not reach into the water.

## WARNING

To reduce the risk of burns, electrocution, fire, or injury to persons:

1. When not in use, unplug the iron. Allow it to cool and store in a safe, dry location.
2. This iron is hot when in use. Do not let eyes or bare skin touch heated surfaces.
3. Do not place the heated iron directly on any surface while it is hot, other than a thermal mat.
4. Never leave the appliance unattended while plugged in.
5. Close supervision is necessary when this appliance is used by, on, or near children or individuals with certain disabilities.
6. This iron is intended to be used only on head hair.

7. Use this appliance only for its intended use as described in this manual.
8. Never operate this appliance if it has a damaged cord or plug.
9. Never allow the power supply cord to be pulled, jerked, strained, twisted, or severely bent, especially at the plug connections. The foregoing may damage the cord, including at or near the high flex point of entry into the appliance, causing it to rupture and short. Handle the cord carefully for longer life.
10. Keep the cord away from heated surfaces. Do not wrap the cord around the appliance.
11. Never drop or insert any object(s) into any opening in the appliance.
12. Do not use outdoors or operate where aerosol spray products are being used or where oxygen is being administered.
13. Do not use an extension cord with this appliance.
14. Never use while sleeping.
15. Do not operate with voltage converter.
16. This appliance is provided with a protective device that may make it inoperable under some abnormal conditions (such as immersion of the appliance).
17. If appliance is not working properly, return it to Customer Service for examination and possible replacement under warranty.
18. While heating or cooling the appliance, never place it on a soft surface, such as a bed, couch, or carpet.
19. Do not use hot plates near eyes, skin or other heat sensitive areas.
20. Do not leave iron in hot humid places.
21. Discontinue use immediately and unplug if iron becomes too hot or malfunctions in any way.
